

**FUND FINANCE ASSOCIATION TO HOST SEVENTH ANNUAL
GLOBAL FUND FINANCE SYMPOSIUM ON MARCH 14, 2017 IN NEW YORK**

***As Part of Global Event, FFA Will Also Host its First Annual
Women in Fund Finance networking event in New York on March 13, 2017***

NEW YORK, January xx, 2017 – The Fund Finance Association (FFA), a non-profit industry association in the fund finance market, today announced it will be hosting its seventh annual Global Fund Finance Symposium on March 14, 2017 at the Grand Hyatt Hotel in New York City.

The event brings together investors, fund managers, bankers and lawyers for a full day of education and networking within the fund finance market; it holds particular appeal to CFOs and those responsible for arranging financing within their respective investment firms. More than 500 industry professionals from 157 different firms attend the FFA's 2016 Symposium.

In conjunction with its 2017 Symposium, the FFA has also announced it will be sponsoring its first annual Women in Fund Finance networking event on March 13, 2017 – this event is scheduled to be held at the Simpson Thacher & Bartlett LLP offices and will include a screening of the movie *Equity* along with a discussion panel with the movie's creators and industry participants, followed by a cocktail hour.

Information about tickets and registration for both conferences can be found at www.fundfinanceassociation.com. Attendance is complimentary for fund managers and investors.

In past years, FFA Symposium topics have included discussion on the evolving fund finance spectrum, global subscription facility update, fund formation developments and lender implications, alternative financing options, and GP and management company loans.

About Fund Finance Association

The [Fund Finance Association](http://www.fundfinanceassociation.com) is a non-profit industry association in the fund finance market, co-located in New York and Charlotte, N.C.

Its core mission is to:

- Educate members, legislators, regulators, and other constituencies about the fund finance market and related capital markets through conferences and other events;
- Build the broadest consensus among members on policy, legal, regulatory and other matters affecting or potentially affecting the fund finance market and related capital markets; and
- Advocate on behalf of the fund finance industry with respect to policy, legal, regulatory and other matters affecting or potentially affecting the fund finance market and related capital markets.
